The Goulburn Valley Grammar School community congratulates all of our students in the Class of 2017. GVGS is proud to be an open entry school with a diverse student body. Our Year 12 students demonstrated a genuine commitment to learning. Through hard

work, many have attained outstanding achievements in learning. These results would not be possible without the care, professionalism and hard work of our teaching and operational staff. We particularly acknowledge and celebrate the achievements of those who persevered and overcame genuine challenges. The Class of 2017 have been a positive community, welcoming newcomers and offering support and compassion to those experiencing grief and loss.

The Class of 2017 enjoyed the richness of life and immersed themselves enthusiastically in the co-curricular programme. They made major contributions to music, stage performance and sport. They have been generous of spirit, leading the school in raising awareness and funds for many local and national causes. We thank the Class of 2017 for their legacy.
