GVGS is committed to student learning and setting high expectations for all students regardless of their starting point. As a regional Victorian School, it is particularly important that we monitor the learning progress of our students and benchmark student learning using accepted measures such as the VCE.

The Age newspaper prepared a report, based on 2016 VCE data, ranking the highest performing schools in Victoria. In the 2016 report, GVGS was ranked 32nd out of all Victorian Schools offering the VCE. In 2016 there were 235 secondary schools in the state. There are only two regional, coeducational, open entry schools listed. Once again, the data affirms GVGS as a high performing school at both the state and national levels. This is an outstanding achievement which reflects the commitment and hard work of our students and the focus and dedication of teaching staff in providing high quality instruction.

Rank	School	Median VCE study score	% of study scores 40+
1.....	Bialik College.....	39.....	44.2
2.....	Macrobertson Girls High School.....	38.....	36.1
3.....	Yeshivah College.....	38.....	31.9
